Dear Beardsley Families-

Although our sites are closed, the Beardsley Elementary School District will continue to provide essential services for children and families in our community. We are collaborating with local partners and other entities to ensure students are supervised during school hours.

The District would like to share the following resources for our families in need of childcare services:

1. Community Connection for Child Care
Referral Phone: (661) 861-5200
2000 K Street
Bakersfield, CA 93306

This local resource and referral agency will connect families in need of care. The R&R can help link you to available care facilities in our area.

2. Statewide Consumer Education Hotline
1-800-KIDS-793
<https://rrnetwork.org/> and <https://rrnetwork.org/family-services/find-child-care>

This toll-free number will put you in contact with an information specialist who can answer your general child care questions, or connect you with your local resource and referral agency (available in English and Spanish).

3. 211 Kern County

This local source can provide you with resources for a variety of needs in Kern County including a list of local programs that remain open for services.

4. Community Care Licensing
